WORK EXPERIENCE:

ADJUNCT LECTURE

Adjunct Lecturer: University of Warsaw, Department of math Studies, October 2016 to 2019. My main tasks were: checking first year students test. Preparing notes for professors. Also I participated in many scientific researches.

MEMBER OF TUTORIAL ORGANIZATION

Giving tutorials in math, english since 2014 to 2016. I achieved evaluating student work, such as literary writing, research papers, and analysis tasks, by using holistic practice. I learned that every students need diffrent approach and I have learned how to find it.
